Volume 1: Issue 4

August 18, 2008

Dear friends,  
Thank you for your prayers and faithful support! We are happy to share with you how God is working in our lives. We hope that this report is as encouraging to you as it is to us! God bless!

## On the Road Again

For the past two months we have based out of our home in Springfield and traveled to nearby churches for weekend and midweek services. In September we will set out on another long trek taking us anywhere

from Florida to Texas and from Michigan to Arizona. We will be back to our home just in time for Christmas. We have 8 missions conference almost in a row. We aren't excited about all of the miles, but we can't wait to see what God will do in us, in the churches, and in our support level!

## SLOWLY BUT SURELY

We have done our part to keep our schedule very busy with churches since we started deputation, visiting about 8 churches each month. We have seen a slow but steady increase in our support. We are currently 1/3 of the way to meeting our goals having exactly 33% of our monthly support coming in and about 30% of our shipping container and plane ticket projects sponsored. Please be in prayer for financial partners to grow our monthly support as well as the strength of the US Dollar against the Euro.

## BEAGLES IN BAGS

In June we were able to spend two days touring New York City while visiting some churches close by. Even the beagles rode public transportation in backpacks and visited Times Square and Central Park.

## Keeping the Goal in Mind

Acts 26:18 "To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by the faith that is in me."
