Dear Friends,

Thank you for your prayers and faithful support! We are happy to share with you how God is working in our lives. We hope that this report is as encouraging to you as it is to us! God bless!

A Visiting Mechanic

Mid-September we attended the national meeting in Raleigh, NC. On our way, we noticed our 10 year old, high mileage vehicle was making a strange noise. We had 3 estimates ranging between \$1,200 and \$2,400 for the repair. We were unable to fix the

vehicle so we prayed that God would provide and give us a peace for the next step we should take. We made the somewhat difficult decision to go ahead and travel some 700 miles to Florida for our next meeting, knowing our car could break down at any moment. Not only did God get us to Florida safely, He scheduled a "divine appointment". A mechanic, visiting the church in which we presented our ministry, was able to fix our vehicle for a fraction of the cost and donated his time and labor free. God is always faithful! This reminds us that our help comes from the Lord (Psalm 121). In a troubled economy and difficult times, our hope is not in the next president and our future is not determined by the economy. Our hope is in God who chooses to work in ways that are unmistakably Him and we can't help but give Him the credit!

SLOWLY CLIMBING

We have a list of 13 churches we pray over daily. They have suggested as soon as funds are available, they will begin supporting us in our ministry. Should each of these churches take us on by the end of this year, we will be at 50% of our support. This will keep us on track to be on the field by November 2009.

Traveling Beagles

The beagles continue to be good mascots as we travel from church to church. Their "ministry" is to help people remember us!
