Volume 2: Issue 3

June 25, 2009

Dear Friends and Prayer Partners,

Thank you for your prayers and faithful support! We are happy to share with you how God is working in our lives. We hope that this report is as encouraging to you as it is to us! God bless!

## 147 DAYS 'TIL TAKE-OFF

This past week we purchased our plane tickets! Our official departure date is November 19. Please pray with us about these things that need to take place before this date:

1. See our support percentage rise as more churches partner with us to reach Portugal.
2. Beau's visa application in July.
3. Birth of our baby in August.
4. Raise the remaining \$1,500 needed for our shipping container.

## OOPS – CLUMSY, CLUMSY

Beau managed to fall and break his leg this month. He left urgent care with a temporary cast and crutches. We are praising God that a follow-up appointment with a specialist said it was a very clean break and the bones are completely lined up. He has to wear a (removable) boot for several weeks until it heals completely.

## BABY FAITH PROMISE MISSIONS PROGRAM

It was our pleasure to introduce faith promise missions to a small Wisconsin church. What an encouragement to us to be with a group of people with a burden to see the gospel go to the uttermost part of the

earth and catch our vision for Portugal. We are excited to see what God will do through this little church as they make an organized effort to kick-start their missions program and promote missions around the world!

## AHEAD OF THE GAME...

We were able to locate a Portuguese language learning system on CD that Beau has been diligently studying. He is really doing great – please continue to pray specifically for this area of his ministry!
