Volume 3: Issue 1

March 2010

Dear Friends and Prayer Partners,

Thank you for your prayers and faithful support! We are happy to share with you how God is working in our lives. We hope that this report is as encouraging to you as it is to us! God bless!

HOME SWEET HOME

After much hard work, we are comfortably settled into our own home. It is ideally located only 5 minutes from the church. We have great landlords – we have eaten two meals together – once at their house and once at ours. We are excited about the relationship we are building and hope for an opportunity to share Christ with them.

“FALO POUÇO PORTUGUE S”

We are disappointed that the language teacher we planned to use is unable to fit Beau in right now. Other options are not as efficient and more costly. Please pray that God will show us another opportunity and give us the wisdom to make a good decision concerning this very important step in his training.

“BECOME A S LITTLE CHILDREN...”

We have a young mother attending our church with her 2 ½ year old son, Joel. Every Sunday, he is so eager to give his offering! As soon as the offering plate appears, he is digging change out of his mother’s purse. The pastor asks us to bow for prayer and as the “usher” is praying, you can hear the clink clink of change dropping in the plate. If the prayer goes extra long, he has time to go back to his mom for more change and still make his way back to the front and deposit his offering before anyone else has had the chance!

“ARE WE THERE YET?”

We are happy to report that we have received two thirds of the money needed for the purchase of a vehicle. We are so thankful for those who have sent gifts for this project! Please pray with us that God will provide that last little bit.
