Volume 4: Issue 1

March 2011

Dear Friends and Prayer Partners,

Thank you for your prayers and faithful support! We are happy to share with you how God is working in our lives. We hope that this report is as encouraging to you as it is to us! God bless!

## Peace in the Midst of the Storm

We started this year out in a difficult way. Valerie's grandfather, pastor of Calvary Baptist Church in Junction City, KS for 38 years, passed away on January 16<sup>th</sup>. What a blessing that Valerie was able to fly back to attend the funeral and be with her family during this difficult time. Lionel and Carol stayed 5 weeks while Beau continued the ministry in their absence. This was intense language training!

This week our hearts are heavy because we lost a precious little baby at 10 weeks of pregnancy. Please pray for physical and emotional healing during this very difficult time.

## Special Project

Thank you to two churches who responded to our last prayer letter and helped to replace our very old projector. What a great tool and a blessing this has been in our services!

## "And the Lord added to the church..."

Since the first of this year we have had seven first time visitors sprinkled throughout various special activities and services we have hosted! We rejoice in the opportunity to share the gospel with more people. Pray for us to have wisdom and creativity in being able to "water" the seeds that have been planted.

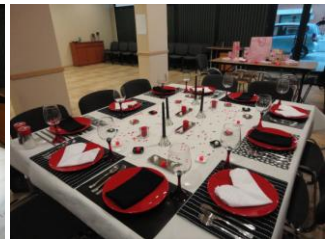

We have seen an increase in faithfulness among our current members and with that, an increase in overall attendance. We are very excited about what God will do this year!
