ONDE VÁIS? espaço JOVEM

“Onde vais?” translated: “Where are you going?” or “Where are you headed?” is the theme for our youth center. It is nearly finished, lacking only a few more pictures to hang and a sign outside. The décor reflects our theme with the major cities of the world and their famed transportation. As you can see, a black and white London with a red bus... or Portugal’s famous Sé (cathedral) and yellow trolley car.

Our promo t-shirts answer the question in the **immediate**: Where you headed? “the youth spot”. At the youth center, we want to challenge kids to answer this question for their **future**. Where are you going in life and do your choices reflect that destination? And in **eternity**, where are you going? Heaven or hell?

The building will be open to the public for the first time on May 9th at its “inauguration” where kids can sign up to be “members” to be able to play board games, PS4, Wii, ping-pong, foosball, etc. We have already had many stop by as we have been completing work on the building and ask questions about what the center will be, what it will offer, and who it is for. We have received only positive feedback in our community!

Sunday, we had a special dedication service to dedicate the use of the building for the Lord’s work and pray for those who will be hear the gospel through this ministry. With 40 in attendance, we beat our previous high attendance record of 39. Many were first time visitors, invited by our members for this “special service” and to “meet the space”. We had a meal following the service. Everyone stayed.

A special thanks to our faithful and amazing supporting churches who have made this project possible through their financial gifts and prayers. We are excited to send reports of how God is using this space to reach the future leaders of our churches here in Portugal.
